

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (currently amended) A composition, free of gelatin, comprising a natural binder that is a particulate natural algae and a dry powdered diet which, wherein when mixed with wet feed and/or with cold water, forms a gel.
2. (canceled).
3. (previously presented) A composition as claimed in claim 1, wherein the diet comprises one or more of vitamins, minerals, 1,3 and/or 1,6 beta glucans, carotenoids, amino acids, oils, yeasts, algae and freeze-dried feed.
- 4.-8. (canceled).
9. (previously presented) A composition as claimed in claim 1, wherein the composition comprises natural sources of algae and crustaceans.
- 10.-13. (canceled).
14. (withdrawn) A method of forming a cold setting gel feed comprising mixing a composition as claimed in claim 1 with a wet food and/or water.
15. (new) A composition as claimed in claim 1, wherein the natural algae is micronized to a size of between 30 and 160 microns in diameter.
